Fen Edge Community Association
COTTENHAM VILLAGE COLLEGE
CAMBRIDGE CB24 8UA

The Association

The Association, under the terms of its constitution, works to benefit the community by improving the social, recreational and leisure facilities in the area of the Fen Edge Patch (Cottenham, Landbeach, Rampton, Waterbeach & Willingham), the catchment area of Cottenham Village College. Its members are individuals or clubs, groups or societies who, by their membership fees or by taking part in and assisting with various events organised by the Association, generate the funds for grants and projects.

Application for a grant should be addressed to the Chairperson of the Association at Cottenham Village College. The use to be made of a grant must be defined in the application so that the Finance and General Purposes Committee may decide if it is within the objectives of the Association's constitution. The number and size of grants which can be given of course depend on what funds the Association has available. Grants are intended for 'start up' purposes or for assistance on a one off basis.
